

364.24 Traffic light synchronization.

After July 1, 1992, all cities with more than three traffic lights within the corporate limits shall establish a traffic light synchronization program for energy efficiency in accordance with rules adopted by the state department of transportation. The state department of transportation shall adopt rules required by [this section](#) by July 1, 1990. [This section](#) does not require that a city replace lighting, which has not completed its useful life, in order to comply with the requirements of [this section](#). However, all lighting shall be replaced, whether or not it has completed its useful life, by July 1, 2001.
